- Billing and payment information is processed and validated upon pressing checkout
- If validation fails, the necessary fields indicate the issues
- If validation passes, payment is accepted and order is complete and will indicate that the order was processed

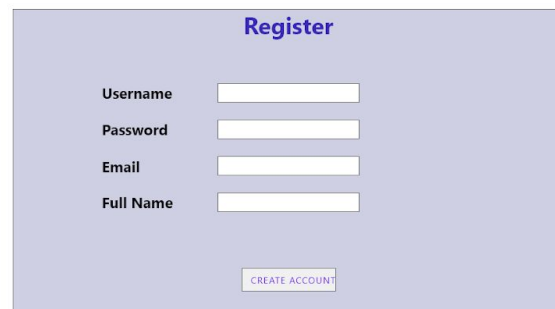

Login Screen

The Login screen features a light purple background. At the top center, the word "Login" is displayed in a blue font. Below this, there are two input fields: "Username" and "Password", each with a white text box. To the left of each text box is its respective label in a bold black font. Below the password field, there are two small, light blue links: "Create Account" and "Forgot Password?". At the bottom center, there is a white button with the text "LOGIN" in blue capital letters.

- If success, user is sent to the **Main Screen**, or **Checkout Screen** if the user was routed to the login screen from the **Cart Screen**
- Forgot password will send password recovery via email
- Create account will send the user to the **Register Screen**
- If logged in as admin, user is sent to the **Admin Screen**

Register Screen

The Register screen features a light purple background. At the top center, the word "Register" is displayed in a blue font. Below this, there are four input fields: "Username", "Password", "Email", and "Full Name", each with a white text box. To the left of each text box is its respective label in a bold black font. At the bottom center, there is a white button with the text "CREATE ACCOUNT" in blue capital letters.

- If success, account is created and user is sent to the **Login Screen** to login
